

TENNESSEE VALLEY GOLDEN RETRIEVER RESCUE (TVGRR) is partnering with Kristin Szerszen of **YOUNG LIVING ESSENTIAL OILS** for a great fundraising opportunity for the rescue;

- For each person who enrolls as a Young Living member with a purchase of a Premium Starter Kit, Kristin will donate \$35 to TVGRR.
- For each retail order placed, Kristin will donate her commission.

This is an easy way to support TVGRR's efforts and begin your wellness journey with essential oils. Even better, there is an entire line of Essential Oils that can be safely used for your pets! Essential oil products are 100% natural with no additives.
